# customization options for the candle industry

## **TRANSPARENT SPRAYS**

For generating a colored glass effect.

## **OPAQUE SPRAY**

To amplify & bolden rich colors.

## **FROST SPRAY**

To soften colors while providing a textured feel.

## **SCREEN PRINT**

Add a logo to increase impressions for your brand.

Up to 8 colors in a couple of different ink options.

(UV and Organic)

## **CMYK 4-COLOR PROCESS**

Extremely accurate resolution to look like a real picture with an infinite number of colors possible.

## **PRECIOUS METALS**

Real Gold and Platinum elevating your product above the competition. Available in full wrap, rim, and halo.

## **CUSTOM STAMPING / PUSH UP**

Customize the glass by adding your brand with a mold push up or stamp.
